### How to Play

Welcome to the WWU Scholarship Center's Passport to Scholarship Success!

The Passport to Scholarship Success encourages students to become familiar with campus resources and strengthen your scholarship applications. Make your way around the WWU campus to discover the free scholarship resources available to you, and then take the time to start this scholarship season on the right path!

Once you have 6 or more stamps from visiting our campus partners, attending events or completing a self-reported activity, your Passport is complete! Submit your completed Passport to the Scholarship Center to be entered into a drawing for a \$500 scholarship for the 2020-2021 academic year.

Be sure to follow us on Facebook and Instagram for updates and to see your fellow travelers' progress.

Completed Passports must be submitted to the WWU Scholarship Center by April 17th.
